Cyprus concludes a double tax treaty with the Netherlands

We would like to inform all our clients that a new tax treaty was recently concluded between Cyprus and the Netherlands and it is more likely to come into effect as from 1 January 2021.

This agreement is considered to be particularly important to multinational groups operating through companies based in Cyprus and the Netherlands as it provides considerable tax benefits.

We are always at your disposal to provide you with further information and guidance in relation to the above.
